

# Toyosu2019-2021

2019 / Toyosu

---

## Overview

This is personal attribute data from the Toyosu PP survey conducted from 2019 to 2021.

## License

Use is permitted only for the 2026 Summer Course on Behavior Modeling in Transportation Networks.

## Data Column Specification

| Column Name                  | Data Type | Description                                  |
|------------------------------|-----------|----------------------------------------------|
| ID                           | String    | Record identifier.                           |
| Gender                       | Int8      | Recorded gender category.                    |
| Age                          | Int8      | Age in years.                                |
| Mode of Transport            | Int8      | Recorded transportation mode.                |
| Occupation                   | Int8      | Recorded occupation.                         |
| Nearest Station to Workplace | String    | Nearest station to the workplace.            |
| Income                       | Int8      | Recorded income category.                    |
| Nearest Station to Home      | String    | Nearest station to the home.                 |
| Type of Residence            | Int8      | Recorded type of residence.                  |
| Owned Housing Floor          | Int8      | Floor level of the residence (floor number). |
| Rented Housing Floor         | Int8      | Floor level of the residence (floor number). |
| Housing Cost                 | Int8      | Recorded housing cost.                       |

| Column Name                      | Data Type | Description                                                         |
|----------------------------------|-----------|---------------------------------------------------------------------|
| Years of Residence               | Int8      | Length of residence, whole-year component (years).                  |
| Months of Residence              | Int8      | Length of residence, remaining-month component (months).            |
| Floor Plan (Home)                | Int8      | Recorded floor plan of the home.                                    |
| Floor Plan (Other)               | String    | Recorded floor plan of another residence.                           |
| Living Alone                     | Int8      | Indicator of living alone.                                          |
| Spouse (Husband/Wife)            | Int8      | Indicator of a spouse in the household.                             |
| Parents (Self/Spouse)            | Int8      | Indicator of parents of the respondent or spouse in the household.  |
| Siblings (Self/Spouse)           | Int8      | Indicator of siblings of the respondent or spouse in the household. |
| Own Children                     | Int8      | Indicator of the respondent's children in the household.            |
| Others                           | Int8      | Indicator of other household members.                               |
| Number of Parents (Self/Spouse)  | Int8      | Number of parents of the respondent or spouse in the household.     |
| Number of Siblings (Self/Spouse) | Int8      | Number of siblings of the respondent or spouse in the household.    |
| Number of Children               | Int8      | Number of children in the household.                                |
| Number of Others                 | Int8      | Number of other household members.                                  |
| Others (Specify)                 | String    | Free-text specification of other household members.                 |
| Car Ownership                    | Int8      | Recorded car-ownership status.                                      |
| Motorcycle/Scooter Ownership     | Int8      | Recorded motorcycle or scooter ownership status.                    |
| Bicycle Ownership                | Int8      | Recorded bicycle-ownership status.                                  |

| Column Name           | Data Type | Description                                           |
|-----------------------|-----------|-------------------------------------------------------|
| None Owned            | Int8      | Indicator that none of the listed vehicles are owned. |
| Vaccination           | Int8      | Recorded vaccination status.                          |
| Vaccination Intention | Int8      | Recorded intention to receive vaccination.            |
