

# locData.csv

2018 / Toyosu

## Overview

GPS traces of 244 individuals from 08/27 to 11/19

## License

Use is permitted only for the 2026 Summer Course on Behavior Modeling in Transportation Networks.

## Data Column Specification

| Column Name | Data Type | Description                                                                                                                                                                |
|-------------|-----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ID          | Int64     |                                                                                                                                                                            |
| UserID      | Int64     |                                                                                                                                                                            |
| Time        | Datetime  |                                                                                                                                                                            |
| Lat(WGS)    | Float64   |                                                                                                                                                                            |
| Lon(WGS)    | Float64   |                                                                                                                                                                            |
| mesh_code   | Int64     | Standard regional mesh (tertiary regional division) .<br>See <a href="https://www.stat.go.jp/data/mesh/pdf/gaiyo1.pdf">https://www.stat.go.jp/data/mesh/pdf/gaiyo1.pdf</a> |
